"Sandra made our wedding perfect, down to the very last detail. She took absolutely all stress from our day and we all enjoyed it as if we hadn't a care in the world. We had 200 people on our big day and Sandra was just absolutely amazing organising everything, decorating our marquee, liaising with all the suppliers and guests. We couldn't have done it without her. She is a wonderful wedding planner and we will certainly be using her for any future event we have."
